THE CITY COUNCIL.

REGULAR MEETING LAST NIGHT.

Saloon Licenses Granted, Bills Paid, the

Water Board Given its Extra Appro-

priation, and a Curb ordered on the

South Side of Zane Street, Etc.

A regular semi-monthly meeting of

Council was held at the Public Building

last night after considerable trouble in

getting the requisite number of members

to form a quorum. It was getting well on

towards 9 o'clock before the Second

Branch commenced its grind. Shortly

after 8 o'clock Mr. Healy took the chair

in the Second, and began reading the

dozen members present with the ques-

tions he put and the orders he gave. After

being edited in this way for quarter of

an hour or so, it occurred to Mr. Warner

that it would be just about as well to have

Mr. Healy preside in regular order. He

made a motion to that effect, which Mr.

Healy put in a modest way, and declared

himself elected to the chair for the evening,

and then commenced reading business

through in a prompt, business-like

manner that was quite pleasing.

The first thing done was to send out

Deputy Killen after enough absentees to

make a quorum. Messrs. Young and

Alison were the last ones to be brought in;

the other members present were

Messrs. Anber, Gavin, Gundling, Hartog,

Kane, Marshall, Maxwell, Mitchell, Mc-

Kown, Prager, Stegger and Warner.

LIQUOR LICENSES.

The reading of the minutes was dis-

pensated with and the rules suspended for

the purpose of considering applications for

liquor licenses. B. Shalvey was granted

a license to sell beer, wine and spirits

at a saloon on the corner of Zane and

St. George streets, and a license to keep a

saloon at the same place was granted to J.

T. Montgomery, he giving F. W. W. and

G. O. Burdette as his sureties.

George Burdette was granted license

to keep a saloon at 1315 Market Street

on the corner of Zane and Market streets,

and Gregory Keller as sureties.

The regular semi-monthly report of

Clerk Bowers, showing the amount of the

appropriation made to each department at

the beginning of the year, the amount ex-

penditures to each up to date, and the bal-

ance remaining was read and or-

dered filed. The total appropriations

made amounted to \$200,241.63; the

expenditures have reached \$187,833.26,

leaving a balance of \$128,408.37 divided

as follows:

Board of Public Works, \$22,580.84; Fire

Department, \$12,223.04; Health Depart-

ment, \$2,450.04; Market, \$1,600.10; Po-

lice Department, \$7,967.29; City Prison,

\$1,735.08; Scales and Weighing, \$333.32;

Real Estate, \$730.19; Waterworks, \$1,250.00;

Salaries, \$2,566.80; Contingencies, \$3,

400.61; Loan of 1881, \$7,002.50; Water

Board, \$4,378.29; Gas Works, \$10,761.41.

The Board of Public Works asked for

an appropriation of \$150.00 to pay for

work done on the Main street improve-

ment. This amount was allowed.

THE WATER BOARD.

The City Water Board presented the

following communication:

money appropriated by your honorable

body for the use of the Water Works, etc.,

will be insufficient to meet the needs of

SKINNER SENT OVER.

THE PENNSYLVANIA OFFICERS

Take Their Man to West Alexander in a

Hack—A High Fight in the Circuit Court

by His Lawyers—A Colored Man Con-

victed of a Heinous Crime.

County Detective E. McBurney, of

Washington, Pa., arrived here from

Charleston yesterday with the order of

Governor Wilson for the delivery of O. L.

Skinner to McBurney. A deputy sheriff

from Washington met McBurney here.

Yesterday was the time set by Judge Ja-

cob for further proceedings in the circuit

court under the writ of habeas corpus in

Skinner's case, and when he was brought

into court he was represented by Colonel

Arnett, of this city, and Lawyer Braidon,

of Washington, while McBurney was re-

presented by Prosecuting Attorney Jordan.

The Sheriff made a return under the writ

that he was directed by Governor Wilson

to turn the prisoner over to the Pennsylv-

ania authorities, and after a warm argu-

ment by the counsel the Court ruled that

he was to be taken over. Colonel Arnett

then moved for a suspension of judgment

until he could take an appeal to the Su-

preme Court, but this was refused.

The two officers, fearing some other in-

terference, took advantage of the Court's

order and drove with their prisoner to

West Alexander, Pa., and there

waited for a train and went on to Wash-

ington.

WILLIAM HILL GUILTY.

A Colored Man Convicted of an Outrageous

Assault.

William Hill, a very dark negro who

was up to this summer engaged as a white-

washer, was yesterday arraigned in the

Circuit Court under an indictment for at-

tempted outrage, the person assaulted be-

ing Philip Roth, a German living on the

South Side. As the time of the offense was

committed, Hill was committed to jail

at Roth's house, and when discovered by a

neighbor woman who happened to call

he left without his hat or shoes. He

did not take his hat or shoes. He

told them his name was Johnson and that

he lived at Bridgeport. The evidence

against him was most direct, and the

jurors, Messrs. George Lobenstein, J. V.

Chambers, Andrew Kirk, James Braid,

William Godfrey, John K. Kline, Henry

Gibson, Conrad Auld, John C. Beck, John

Gibson, O. J. May and Thomas Colvin,

were only out a short time when they re-

turned a verdict of guilty.

The penalty is from one to five years

imprisonment in the penitentiary. Col.

Arnett represented Hill.
